

Elco SS Series

Elco LED's SS Series is a versatile recessed luminaire with IP65 protection, making it suitable for both indoor and outdoor use. Its wide range of lens options offers diverse light distributions, while three different power alternatives allow customized lighting for every project. With three housing color options, the SS Series blends seamlessly with architectural designs. Combining durability, aesthetics, and high lighting performance, it delivers a stylish and functional solution for modern lighting needs.

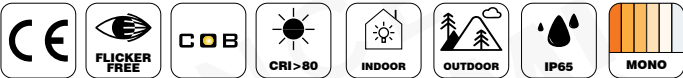

Elco Downlight - SS Series

EDR-SS *Recessed Luminaire*
