

Elco LG Series

LG Series (Linear Grazer) is a family of linear wallwasher luminaires designed to highlight façade surfaces in a controlled and uniform manner. With a wide range of lengths from 15 cm to 150 cm and a dedicated masking structure, the light flows smoothly along the surface without spill or glare. Designed for outdoor façade conditions, the LG Series brings architectural envelopes into dialogue with the night. Equipped with Croc Design PCBs, it creates depth, rhythm, and continuity across façade surfaces.

Elco Facade - LG Series

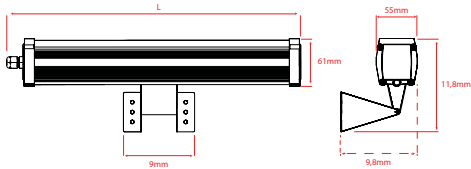

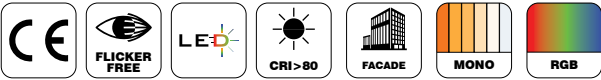

EFW-LG

WallWasher / WallGrazer

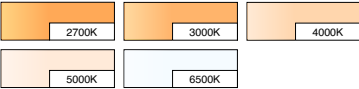

Product Model	Input Voltage	Power (W)	Intensity (lm)	Efficiency (lm/W)	Length (mm)
LG3-15	220V AC	3,5	362	101	150
LG6-22	220V AC	7,5	723	100	220
LG9-30	220V AC	11	1085	100	300
LG12-37	220V AC	14,5	1446	100	370
LG18-53	220V AC	22	2169	100	530
LG24-70	220V AC	29	2892	100	690
LG36-100	220V AC	44	4338	100	1000
LG45-125	220V AC	54,5	5423	100	1250
LG57-155	220V AC	69	6870	100	1550
